For over 30 years, Instituto Franklin-UAH has been a leader in Spanish language instruction for international students at our university.

Instituto Franklin-UAH has successfully hosted thousands of university students through long-standing collaboration agreements with leading universities in North America.

We specialize in providing the services necessary for international students to be successful during their time abroad.

Instituto Franklin-UAH's approach to

Online Spanish courses

- A highly qualified team of experienced international Spanish language instructors.
- A communicative proficiency model of instruction focused on skills integration and collaborative methodology.
- Hybrid instruction, with continuous engagement between students and faculty the learning process.
- Rigorous and reliable language placement tests to ensure that course content fits the student's real language needs.
- Classes: Monday through Thursday. We follow the U.S: academic calendar.
- Certificate awarded at the end of the course.

On-site program

Traditional Spanish language and culture courses are offered throughout the year.

Instituto Franklin-UAH is currently holding courses on-site and we are following the protocols established by the Ministry of Health of Spain and the Universidad de Alcalá.
