### PROGRAMS / HIGHLIGHTS

- **Annual program:** Program from August to June
- **Clinic:** Custom program, each student can come when he wants.
- **Camps:** Programs in festivity time such as Easter, Christmas, Summer.
- **Stage:** Intended for teams that want to use our facilities for training camps.

Soccer Inter-Action is a soccer center designed to improve and educate through Soccer. Our programs are tailored to meet all the requirements of an elite environment and we offer a clear pathway to professional soccer through our "SIA Academy for players" program.

### STUDIES

Soccer Inter-Action is an educational soccer academy, for this reason, it is necessary to study while doing the soccer program.

- **British School:** We have an agreement that allows to combine school studies with our program, in this way the school graduate can be obtained.
- **Coaching course:** Program carried out in our facilities to take the coach course.
- **Spanish Course:** Course adapted to the level of each student to learn Spanish.

## Why study in Soccer Inter-Action?

- Improve your soccer level and look for an opportunity to be a professional soccer player.
- Doing your studies while practicing this sport.
- Safe environment, all our facilities located on the same place.
- Coaches with experience and their own methodology.
- Nutritionist, psychologist, physiotherapist, video analyst is included in the program to be able to reach our Spanish third and fourth division teams.
