

## SUMMER PROGRAM 2021

### LANGUAGE, IDENTITY AND GLOBAL CITIZENSHIP

Do you want a short-term program abroad? Still want some specialized electives and credit for your major/minor? In English? You can do that while enjoying your experience at the Mediterranean at the University of Alicante, SPAIN.

*Develop your intercultural competence and delve into the different aspects of identity and global citizenship through coursework focused on topics such as intercultural communication; gender, language and power; the Politics of the European Union and teaching languages for social justice. You can pick courses in English or Spanish, and, if you want, you can combine them with a Spanish language course.*
