GSD International School Buitrago 35 years of experience transforming the world through education

We at GSD offer an integral, competitive educational experience which prepares our students professionally and emotionally to face the challenges and opportunities arising in our globalized world head-on.

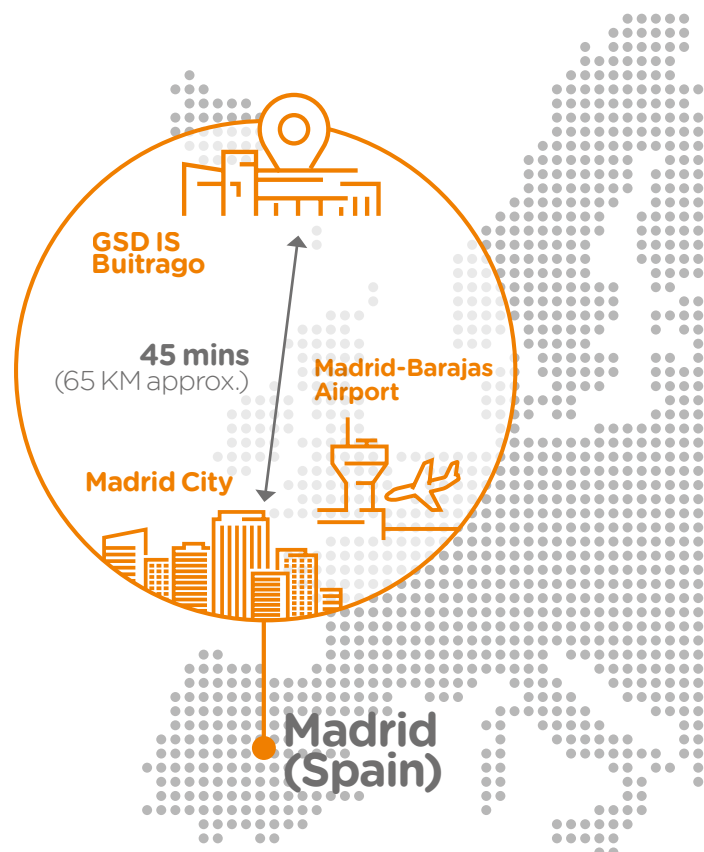

GSD International School Buitrago's campus encompasses 80,000 m² set in peaceful surroundings close enough to be able to enjoy Madrid, just 45 minutes away, as well as the many options nature has to offer.

Students from a wide range of countries together day-to-day develop a global perspective, which contributes to personal growth.

GSD International School Buitrago's professional staff offer meticulous personalized attention so that students receive any academic and emotional support they might need during their time here.

The opportunity to study in Spain allows students to gain familiarity with European culture, as well as to get a feel for one of the world's most popular tourist destinations.

Students learn the second-most spoken language worldwide, smoothing the way for higher-level learning at prestigious international institutions, while also opening professional doors, all at competitive prices.
