

# STUDY ABROAD IN SPAIN

## EDUCATION & STUDENT TEACHING

At Instituto Franklin-UAH, we provide high-quality academic programs to undergraduate level students. Students gain valuable experience through first-hand participation in dual immersion curricula and by teaching in a classroom. We are a center of reference for Bilingual Education and Teacher Training in the region of Madrid. All of our education courses have an experiential component, thus students are able to observe and apply their knowledge in a bilingual classroom.
