WHY STUDY AT CUNEF?

CUNEF is a cutting-edge private university, considered a benchmark in Higher Education thanks to its high level of specialization, the excellence of its students, faculty and researchers, and its high degree of internationalization. Recognized as a University in 2019, it has been operating as a Higher Education institution since 1973: more than 13,000 professionals have graduated from its classrooms.

CUNEF Universidad's Undergraduate and Graduate Degrees have been designed to meet the new challenges posed by technology and today's global market, in a context in which continuing education and lifelong learning are essential.

Located in the center of the city of Madrid, Spain, CUNEF is specialized in the fields of Business, Economics, Mathematics, Computer Science & Digital Business and Law & Institutions. We have more than 1,700 partnerships with national and international organizations to help our students successfully kickstart their career. In fact, 98% of our recent graduates land a job less than one year after graduation.

Besides a wide range of extracurricular activities including sports and an assortment of student clubs, CUNEF students are given the chance to participate in an international study program at one of our more than 100 prestigious academic partner institutions worldwide.

In 2023, CUNEF Universidad has been recognized by Forbes as the #1 private university in Spain.
